

THE UPTOWN SEEDS

Hailing from sunny South Australia, The Uptown Seeds are a cover band with a difference. Floral shirts and smiles all round; this is...

The Uptown Seeds!

The Uptown Seeds are a collective of South Australia's finest musicians. All of our musicians are amazing entertainers who come with a wealth of musical knowledge and experience.

The Uptown Seeds are incredibly versatile and able to perform as an acoustic duo right up to a 10-piece band with full horns section. The band regularly features vocals, guitar, bass, piano, drums, percussion, trumpet and saxophone. The Uptown Seeds perform a range of popular songs; from slow ballads to upbeat rock and roll dance floor anthems and perform all over Australia at pubs, clubs, weddings, functions and corporate events.
